## Profile

Energetic individual who loves learning and mental growth. I've previously worked as a kitchen hand which gave me real and valuable insights into how successful business functions even under hard pressures such as weekend night shifts for about 4 months. I've proven my ability to stay calm and focused due to my previous occupations which makes me a valued candidate for your job position as a crew member. Dedicated to working towards the mission of a company along with adhering to health and safety standards, while serving as a helpful and crew member. Bringing forth a motivated attitude and the ability to multitask and work well under pressure. Adept in carefully diagnosing and assessing issues, and offering real viable solutions. Skilled in design, programming, prototyping, and testing. Committed to using safe and sanitary cooking practices, and maintaining an organised and clean cooking area. A high-energy individual, with the ability to multitask and work well under pressure. Extremely customer-focused and dedicated to maintaining restaurant and food industry standards. Equipped with a diverse and promising skill-set, conducive to creating positive team relationships resulting in optimal customer service. Passionate about the food service industry, and eager to bring my years of experience and growth to another flourishing establishment.

## Employment History

### Kitchen Hand, Eden Bewhouse, Redbank Plains

August 2021 — October 2021

Worked as a kitchen hand for 4 months. Primary responsibilities were to handle all the kitchen equipment such as pans, crockery, pots, trays and all the plates. Towards the end of the shift and closing time, it was my responsibility of cleaning the whole kitchen with operations such as mopping, wiping, cleaning the remaining equipment from the chefs and sorting all the plates and equipment for the chefs to use in the morning. I worked in a fast-paced environment for 5 hours at a time without a rest which allowed me to develop a lifestyle and attitude of quick reactions to environments and situations as if I had a deadline. I learnt to deal with the pressure and stay calm when being handed a heavy load. Also, I never once broke a plate.

- Worked effectively with all kitchen personnel, to promote a happy working environment.
- Placed orders for necessary goods such as food, kitchen tools, and cleaning products.

## Shop Hand, Springfield Fruit Market, Springfield

February 2021 — March 2021

I worked as a shop hand for 2 months which consisted of many multiple responsibilities. Shift would begin at 5 Am. My responsibilities consisted of :

- Opening the store with 2 others
- Unloading the stock from a delivery truck if Thursday
- Gathering refresher stock and refreshing the outside vegetables
- And cleaning the store

My shifts consisted of lifting heavy sacks of produce, shelving, stocking and replenishing. If need be, the cleaning of the shop, the store room and the cold room would be understood to be my responsibility in obvious.

## Freelancing on various platforms, Redbank Plains

November 2021 — Present

Previously produced NFTs, Full-Stack Web-Application for a bookstore which required OAuth, administration implementation, respectably drab UI for all user types and many more features. I've produced countless algorithms for those ordering. I've used this platform to understand which way the programming community and industry is moving towards which allowed me to develop a skill set which will benefit me to becoming a better candidate when finding orders.

- Worked to enhance software systems to help educators, scientists, and policy experts already working on some of humanity's greatest challenges.
- Brought forth excellent problem solving and troubleshooting skills.
- Remained flexible, adaptable, and calm under pressure.
- Brought forth an in-depth knowledge of relevant operating systems.
